Childcare and Preschool Information

Child care at the YMCA is more than looking after kids. It's about nurturing their development by providing a safe place to learn foundational skills, develop healthy, trusting relationships and building self-reliance. Our childcare programs are all licensed programs and all of our staff are CPR and First Aid certified. Our Y provides quality, affordable child care, in various locations, giving children an enriching start to learning while you are at work.

Infant Program:

Our emphasis is on nurturing active minds, healthy bodies, and happy hearts by providing a quality licensed infant program. Infants explore and learn through all their senses even before they can crawl and our goal is to provide a variety of opportunities for infants to explore and learn. Teachers talk, sing, and read to babies, enabling infants to become familiar with language and ultimately to recognize words and sounds. Parents and teachers share children's activities and development on a daily basis, building mutual understanding and trust. Our lead teacher is a registered nurse and worked in the mother baby unit at Virginia Baptist for several years. All of our infant teachers are CPR and First Aid certified.

Preschool Programs:

Preschool Child Care: This program is designed to nurture the intellectual, emotional, social, and physical development of young children. Emphasis is on self-esteem, creativity, decision-making and having fun. In our superbly-equipped facility, a professional staff provides children with a wide array of language activities, arts, crafts, dramatic play, blocks and other creative movement activities. The children develop their ability to get along with others and function in a group away from home. The five day program includes lunch and Melody Makers, which is an introduction to various musical genres. Children actively participate by moving to music and understanding how it stimulates thinking.

Discovery Place Before and After School Child Care:

The before and afterschool program supports academic engagement and achievement, builds confidence and character, and supports healthy development of the spirit, mind, and body. Children ages 4-12 engage in physical activity, make healthy eating choices, and are given the opportunity to explore the world around them by participating in a combination of free-choice and structured activities. Transportation will be provided to and from school for children attending John L. Hurt Jr. Elementary, Altavista Elementary, and Altavista Middle School to the Altavista YMCA. Students from Gretna Middle school are eligible for the program and will be transported to and from Gretna Elementary school. Rustburg and Brookville Middle Schools are eligible for the program and are bused to and from Tomahawk, Yellow Branch, Leesville Road, Rustburg, and Concord elementary schools. Our fee structure is designed to make child care affordable and payments simple. There are no additional fees charged for holidays, teacher work days, snow days, early dismissals, school delays, or any other time school is not in session. Special activities and field trips are also included in the basic fee structure. During these extra days each site will be open for your convenience.
