FOR SOCIAL RESPONSIBILITY**

My Y is Every Y

My Y is Now Every Y in Virginia

The Y movement is for youth development, healthy living and social responsibility. We want to encourage members to utilize the Y as often as they can. Sometimes, it's more convenient for members to utilize a Y in a different location when traveling, near a workplace or in another region. Now, full facility/full privilege YMCA members have the flexibility to use other Y facilities throughout Virginia, at no extra charge.

How it works

Simply present your active YMCA membership card and photo ID at any participating Virginia YMCA and enjoy free access. See important the program details below.

- For tracking purposes, it is important that Altavista Area Y members scan their card upon arrival to their home Y.
- The Reciprocal Membership Program is valid for YMCA full facility members only.
- Basic members may upgrade to a full membership at any time to qualify.
- Visitors to other Ys must present a valid YMCA membership card and photo ID upon the first visit and complete a visiting member waiver or standard membership application form with liability waiver upon their first visit.
- First priority is given to the Altavista Area Y members for Indoor Cycling and Child Watch. Any available space will be open to visiting Y members.
- YMCA full facility/full privilege members must use their home branch at least 50% of the time.
- Program discounts are for home YMCA members only. Visiting members may sign up for classes at the non-member rate.
- Visitors will pay the nonmember rate for all Y programs
- Other restrictions may apply. Please check the visiting Y's website for additional details.
